ORDER

LEWIS J. LIMAN, United States District Judge:

Rule 2(I) of the Court’s Individual Practices in Civil Cases provide that “Westlaw citations should be provided, if available, to cases no available in an official reporter,” and that “[w]hen a party cites a decision that is not available on Westlaw, it shall submit a copy of that decision with its filing.” In their briefs supporting and opposing the motions to dismiss, the parties each have cited to decisions without providing a citation to an official reporter or to Westlaw and did not submit a copy of those decisions.

It is hereby ORDERED that by October 30, 2020, each party who has cited to a case without providing a citation to an official reporter or to Westlaw shall submit a copy of that decision by emailing it in PDF or zip form to Chambers at LimanNYSDChambers@nysd.uscourts.gov.

SO ORDERED.
